

"Athletes Helping Athletes"®

## 2017-2018 M Club Membership

Remember your college days of walking onto the field and representing Maryland as a Division I student-athlete? Now you have the opportunity to continue your legacy off the field and help our current athletes dominate in their sports. Each membership helps to contribute to the advancement of academic resources for student-athletes, as well as the expansion of our facilities and equipment to assist in improving their athletic performance. These resources contribute to our traditions of Maryland Athletics and allow it to stay a top-tier collegiate program. There are no better representatives for Maryland Athletics than those who have competed in the Maryland pride colors themselves.
