

"Athletes Helping Athletes"™

Dear Letter Winner,

As a former student athlete, you are part of a unique and exceptional group at the University of Maryland. The M Club is the best connection to your alma mater and former teammates and **we hope that you will continue to be an active member this year**. You are of great importance to the success of our current student-athletes and coaches. Your membership sustains the Post Graduate Scholarship Program, Lettermen Jackets and financial assistance to the academic support unit. Our members have a direct impact on the future success of current student athletes both on and off the field.

Donations from former student athletes provided funding for upgrades to the Varsity Team House adding state of the art fitness equipment in the M Club Performance Center, and hydro therapy rehabilitation tubs to the training room. The M Club also supported the save the sport campaign, providing funds to assist in saving the University of Maryland Track Program.

M Club membership also provides you with networking opportunities and other benefits: discounted tickets for All Sports Reunion (Letter Winners Day), invitations to career mentoring and other special events, an automatic subscription to *Terrapin Times* and discounts at the Terrapin Team Shop and Student Union Bookstore. Most importantly, by renewing your annual membership to the M Club, you will help create future success in our programs and in the individual athletes who depend on them.

As we compete in the Big Ten Conference, it is important that we continue our strong tradition of "Athletes Helping Athletes".

Should you have any questions about M Club membership or are looking to reconnect, please do not hesitate to contact me at kglove@umd.edu or 301.314.9289. Please visit the M Club Website to connect with other alumni and for event updates (www.themclub.org).

Sincerely,
Kevin B. Glover
Executive Director, M Club

Make Check Payable To: M Club

Please return this portion with your **2016-17** membership dues.
M Club, 2624 XFINITY Center, Terrapin Trail, College Park, Maryland 20742
